FIRM PROFILE

WWW.AP-LAWSOLUTION.COM

TO WHOM IT MAY CONCERN,

Anggraeni and Partners trusts that legal knowledge is needed to sustain and protect the rights and interests of people as well as for the prevention of conflicts.

GREETING

Through our experiences we have seen how joint ventures can turn sour and causing losses; in addition, unawareness of the law by a company or by an individual could lead to endless legal problems. Having learned from such experiences, Anggraeni and Partners is established by Indonesian legal practitioners with the view that legal knowledge is needed by everyone to protect their legal rights. The legal practitioners at Anggraeni and Partners are strong-willed in providing added value when it comes to our legal service. A thorough research of the law, alternative solutions and an intensive communication will always be a part of the services that we offer. Further, clients can expect a personal service as well as innovation as added value in our service. We believe that legal services are a continuous form of cooperation and a communication with our clients in achieving the best solution for every legal issue. Anggraeni and Partners always strive to provide alternative solutions, though we greatly appreciate the opinions and suggestions from our clients on the solution chosen by them. The involvement of clients is important to us to ensure that client's acquired the legal knowledge, to avoid potential issues of a similar nature in the future.

With this profile, we wish to introduce our Firm to you and look forward to establishing good cooperation with you in the future.

We thank you for taking the time to read our Firm Profile.
